How to introduce/promote first vehicles on RAP3 Roads?

1. Plan

- Prepare schedule for road completion works with proper use of resources.
(manpower, equipment and materials)
- Test drive by RAP vehicle
- Field verification/ monitoring by district level political parties and DDC/DTO

1. Plan...Contd

- Preparation of hand over to DDC/DTO (*Completion report, materials and tools etc.*)
- Fixed the road opening date with DDC/DTO

2. Implementation

- Assessment of road safety by DTA
- Road opening and formal inauguration
- Travel to throughout the road length by inauguration team
- Organise the formal handover programme in DDC
 - Sustainability and maintenance plan (*ownership of DDC/DTO*)
 - Further engagement of RMG

Thank you.
