RMGs: How to convince DDC/stakeholders of its worth ?

1. Orientation to DDC/stakeholders about the significance of maintenance and RMGs works.
 - Prevention is better than cure.
 - Establish the maintenance unit in DDC/DTO- *capacity building, Logistic support*
2. Sustainability:
 - *Affordability (through low cost input of DDC internal fund)*
 - *Simplicity (locally available workers, small supervision strength)*

RMGs: How to convince DDC/stakeholders of its worth ?

3. Employment generation at local level -
livelihood of the disadvantage community
of the road corridor.
4. Organise exposer visit to DDC/stakeholders
to a model road.

Thank you.
